Rule making related to removal of obsolete mental health and disability services rules

The Human Services Department hereby rescinds Chapter 15, “Resolution of Legal Settlement Disputes,” and Chapter 23, “Mental Health and Disability Services Redesign Transition Fund,” and amends Chapter 25, “Disability Services Management,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 225C.6.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 225C.6.

Purpose and Summary

These amendments rescind Chapter 15. When the term “legal settlement” was replaced by the term “county of residence” in statute, the Department’s dispute resolution method changed. Also, the authorizing state law, Iowa Code section 225C.8, was repealed by 2012 Iowa Acts, chapter 1120, sections 129 and 130. As a result, Chapter 15 no longer conforms to state law.

These amendments also rescind Chapter 23. Chapter 23 provides rules for gathering information and guiding the development of recommendations to the Governor and Legislature for the mental health and disability services transition fund for state fiscal year 2013. This funding was one-time funding and is no longer applicable.

Finally, these amendments rescind rule 441—25.81(225C) and the preamble and title of Division VII in Chapter 25. Prior to 2014, counties were required to establish or affiliate with a community mental health center or complete a waiver in order to receive community services funds. The authorizing state law, Iowa Code section 225C.7, was repealed by 2014 Iowa Acts, chapter 1092, section 152. As a result, the content in Division VII of Chapter 25 no longer conforms to state law.
